AMEND Senate Bill No. 3358*

House Bill No. 3329

by deleting all language after the enacting clause and by substituting instead the following:

SECTION 1. Tennessee Code Annotated, Title 68, Chapter 221, Part 4, is amended by adding the following language as a new section:

§68-221-419.

Any water and wastewater treatment authority which is created by a county legislative body pursuant to part 6 of this chapter, subject to approval by the county legislative body, may enact a regulation that creates requirements for the installation and operation of advanced treatment systems (ATS) and the structures served by such systems within such county, provided:

(a) Such requirements are equal to or more stringent than the requirements imposed on such systems or structures by the department of environment and conservation pursuant to this part or title 69, chapter 3, part 1;

(b) A copy of such ordinance or code is filed with the department prior to its effective date;

(c) Any modifications to such ordinance or code requested by the department at any time are promptly adopted; and

(d) Enforcement of such ordinance or code shall not be the responsibility of the department.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it.
